

Case Study

YUBAB PERVEZ NEEDS YOUR SUPPORT TO CONTINUE HIS HIGHER SECONDARY SCHOOL EDUCATION

An Appeal for Educational Financial Support

Yubab Pervez is 15 years (2014) old Christian boy taking his secondary school examination (class 10) St. Mary's High School, Murree Road, Rawalpindi, Pakistan. WPTGF has supported him in the last 3 months to complete his Secondary School Education. Now, he has taken admission in Punjab College, Satellite Town to pursue his F.Sc degree in Pre-Medical. They are a family of 4 comprising of parents and an eight years old younger sister studying in class 2. His father Mr. Pervez Masih works in *Rent a Car Company* as a driver and earns PKR 30,000 monthly. They live in a one-roomed rented house of PKR 15000. His mother is a housewife and takes care of her children. Hence, Mr. Pervez is the sole earner of his family and due to limited income, has constraints to pay Yubab's school fees. He requested Mr. Saleem Azam the Volunteer of the WPTG Foundation to support his son financially to complete his Secondary School Education.

Yubab Pervez - Student

The family prays a lot and requests God to solve their problems and God always uses his creation for each other. Thus, Mr. Saleem informed WPTG Foundation about Yubab's passion for his studies but the barrier of poverty is stopping him to achieve his goal. We talked to Mr. Pervez, who informed us that in these days of high inflation, it is very difficult for him to pay PKR 4500 the school fee of Yubab, PKR 3500 the transportation fare and PKR 2000 the stationery cost. Altogether, Yubab's expense for one month is PKR 10,000 (\$42) along with PKR 10,080 administrative cost of WPTG Foundation including travel, printing and communication cost for a year. Hence, annually we will be paying PKR 130,080 (\$579) for his education.

Weaving People to Grow Foundation (WPTG Foundation) wants to support him in his difficult times. We need the support of PKR 130,080 (\$579) to help Yubab to continue his education for a year. This initiative will enable him to complete his Secondary School Education and start his Higher Secondary School Education. Yubab will be supporting his family after being educated and acquiring a job. But in these years of misery, we would be holding his hand to cross the outflowing river. WPTG Foundation will keep on supporting Yubab until he stands on his own feet, we want God's mercy to fulfil our vision of strengthening youth to be future leaders. Therefore, we request you to donate for Yubab education. The donors will be updated with his educational progress and financial expenses by WPTG Foundation on a quarterly basis. Your contribution can change their lives and support them to restart a happy normal life.
