

Case Study

ZAINAB NOOR NEEDS YOUR SUPPORT TO CONTINUE HER PRIMARY EDUCATION

An Appeal for Educational Financial Support

Zainab Noor is 4 years (2014) old girl studying in a class 1 at Creative Learning and Montessori School System, Madina Town, near Khanapul, Islamabad, Pakistan. She lives near her school. She has two more brothers and her mother (Shazia) is a Montessori teacher but earns only PKR 15000 (\$68) monthly. Her (Zainab) father is jobless due to which the financial condition of their home has become miserable. She is in a dire need of financial support to continue her education. They live in a rented house and Shazia pays PKR 10,000 per month for their accommodation to the landlord. Besides it, the increasing inflation and high utility bills have made the family's life worst.

Zainab Noor

Zainab with her family lives in one roomed house. Despite all these hardships, her mother has a passion to educate her children. Therefore, she sends Zainab to school regularly but it becomes very difficult for her to pay PKR 1000 (\$ 5) School fee and the expense of her books and stationery (PKR2000, \$10) per month. The family is also malnourished because after making all the expenses they are not left with enough money to spend on food. They can eat only once a day and many days a week they remain starved. Therefore, it is important to give at least PKR 6000 (\$27) per month to the family for their groceries and food. Altogether, their expense for one month is PKR 10,000 (\$42) and PKR 10,080 administrative cost of WPTG Foundation including travel, printing and communication cost for a year. Hence, annually we will be paying PKR 130,080 (\$579) for Zainab's education.

Weaving People to Grow Foundation (WPTG Foundation) wants to support them in their difficult times. We need the support of PKR 130,080 (\$579) to help Zainab to continue her education and also eat normal food to grow as a normal human being because malnutrition leads to many complications, particularly in women. And as a child due to food deficiency, she will not be able to focus efficiently on her studies. WPTG Foundation will also be helping Zainab's father to get a job for their livelihood to become better. Therefore, we request you to donate for Zainab's education and nutrition. The donors will be updated with Zainab's educational progress and financial expenses by WPTG Foundation on a quarterly basis. Your contribution can change their lives and support them to restart a happy normal life.
